All On-Campus Guidelines

- Please use the front exterior foyer doors (west side) to enter the building. Someone will open the door for you and your family.
- The interior doors to the sanctuary will also be propped open.
- We will not pass the buckets for offering. There will be a table in the foyer with buckets for your tithes and offerings.
- We will be sanitizing the doors throughout the Sunday service.
- There will be no on campus children's church, nursery, Sunday School, greeting time, Coffee House, or coffee stations.
- Please keep 3 chairs and 1 row between family groups.
- We will have a shorter service at 45 minutes to 1 hour.

Remember that this is temporary, and we are learning many things during this process. Soon, we will be able to resume full physical church experiences. It may never be "normal" or "regular", but it probably shouldn't be anyway. We know not everyone will be ready to "return" to church at this time, and we understand that. Please know we support and respect your decision and look forward to the time when we can all be back together.

We are striving to do our best as a church staff to continue to encourage, care for, and disciple our wonderful Bethel family. Thank you so much for your prayers and confidence. We truly feel honored to be able to serve you in this way.

I am so excited about joining together physically again to praise, worship, pray, learn, grow, and join in unity in the name of Jesus for the cause of our Father God! I am thankful for the ministry that we now have of streaming online, but I love our physical gatherings so much. Be encouraged and full of faith, hope, and love this week.

I love you all!
